DETAILED ACTION

Allowable Subject Matter

1. Claims 21-27 and 44-50 are allowed over the prior art.
2. The following is an examiner's statement of reasons for allowance: regarding claims 21 and 44, the primary reason for the allowance of the claim is due to the specific limitation of a method for manufacturing semiconductor devices comprising testing circuit elements in a burn-in apparatus for electrical functions with the back surface of the wafer exposed to convective air in the burn-in apparatus. Since claims 22-27 depend from claim 21 and claims 45-50 depend from claim 44, they also have allowable subject matter.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jermele M. Hollington whose telephone number is (571) 272-1960. The examiner can normally be reached on M-F (9:00-4:30 EST) First Friday Off.
